Jordan M. Byrd Memorial Scholarship And Jordan M. Byrd Silver Star Scholarship

Background Information for Students

Just for a brief moment, if you would walk with us on a short journey with a lot of miles about a young man, Jordan M. Byrd, whose name this scholarship honors. Jordan was born November 16, 1990.

Growing up like most young boys very busy and active, however a few things were amazing that set him apart. He had an unusually deep love for every member of his family throughout his life, he was always proud to be around them.

Jordan's contagious smile and thumbs up attitude became a trademark to all around him which drew people to him from all walks of life. It became evident to his family and all associated with Jordan that he would live an unselfish life as we witnessed him serve others. He grew up giving so much to his family and friends, asking for little in return. He excelled in his schooling, serving as the Senior Class President, Member of the National Honors Society and Captain of his baseball team.

As Jordan neared the completion of High School, his focus on the future became more evident. His deep love for his family created a desire for him to have goals of being a stable provider for his own family. His aspirations of becoming a Medical Doctor and caring for others, took him in the path of the United States Army where he wanted to be a Combat Medic, then he was to go on to college with his military experience.

During his Medic training he married the love of his life, Savanna in December of 2009. On September 9, 2010, Jordan and Savanna shared in the pure joy of welcoming a little boy into the world named Ayden. That early morning everyone in "Jordan's World" got play by play text updates right up to Ayden's welcome arrival.

Just a few short days later on September 13, Jordan was deployed with his 101st Airborne Unit out of Kentucky to Afghanistan. Telling him goodbye that day, it had not crossed our minds that we would hear the unbearable news on October 13, 2010 that our Jordan had been killed in action while on a patrol, when one of his buddies in his squad was wounded, being a trained Combat Medic without regards to himself he ran to his side providing aid and protection by shielding him with his body only to be shot. They were both evacuated by a chopper. Jordan's dream of being a husband, father, son and doctor was silenced so unexpectedly.

Our family humbly accepted the Flag that he gave his life for. We also were honored in his behalf to receive his combat medals including a Combat Medic Medal, Purple Heart, Bronze Star and the Silver Star that was given for the selfless thought of his life given in the care of his own on the battle field.

During this short walk with you, our hope as a family is you have felt what this scholarship means to us by you accepting this in the quiet Honor of Jordan that his legacy for you to continue in a life of selfless service to all you will come in contact with.

As a family we have been elevated by the short journey we were privileged to share with him and we will be forever grateful to our God for allowing us to rub shoulders with him and look forward to being with him again.
