## TEF's 2016 Scholarship Winners

By: Lori Cartwright

We have amazing students in TCSD and we are thrilled to assist as many as possible with funds for college! This year, TEF awarded 29 scholarships and \$23,500 to outstanding TCSD seniors who plan to pursue higher education. Each of TEF's scholarships come from generous individuals, organizations, and businesses who are committed to helping students in Tooele County. They are TEF "bell ringers" and care about students in TCSD. Thank you to all.
